Good afternoon, Rebecca:

Our Clerk's Office is in receipt of your request to amend the Shared Solar Riders of DEP and DEC, dated March 3, 2020. We are puzzling over the last sentence in your letter, which states as follows: "In Order to ensure that low-income customer participants are able to receive the protections described herein for the winter of **2019**, the Companies request the Commission approve the Shared Solar Riders with an effective date of **December 1, 2019**." We were wondering specifically about the references to 2019 dates. I would appreciate it if you could alleviate our puzzlement.

Thanks,  
 David Butler

Folks: FYI, I have now actually sent this letter to Rebecca, with a note that all parties were copied. Somehow, she got left off the original!
